Please pray for our students, who can only meet in coffee shops or forests because of government restrictions. May God encourage them and give them opportunities to share their faith with their peers.

Please pray for the Gulf Conference,
a regional gathering being held later this month. In a
context where being a Christian is often a risk to life,
please pray for protection on those attending, for times of
refreshment, healing, and friendship, and for practical
encouragement and ideas for student ministry.
